2023 DEAUVILLE CLASSIC AUCTION

The third edition of Agence Fences' Deauville Classic Auction confirms that the market for top-of-the-range sport horses is holding up very well!

After the success of the Printemps des Sports Equestres performer sales, the «Summer of Deauville» confirms that auctions are an appropriate way of marketing talented young performers.

In the friendly atmosphere that is the hallmark of the Fences Auctions, 10 of the 20 horses from 4 to 9 years old selected by the partners exceeded the €100,000 mark, and half of them actually changed owner.

We now find **CARLO VAN'T PRINSEVELD**, sold for €260,000 in France, while the formidable **IPHIGÉNIE IDÉALE** joins Steve Guerdat's stables for €250,000.

While a few adjustments, notably to the volume of the offering, seem appropriate, this edition saw a significant increase in the number of horses traded and the proportion of exports compared to the 2022 edition.

There were numerous bids both in the hall and on the Internet, from Ireland, the Netherlands, Germany, Italy, Brazil, the USA and Mexico among others...

As a preview to the foal Elite Auctions at Bois-le-Roi at the end of the month, the partners had selected six embryos and eight foals for this session.

All the embryos and 7 of the 8 foals found takers, sometimes at the end of great bidding battles: the Top Price for embryos went to the full sister of the great ALL IN, sold for €35,000.

On the foal side, the splendid **NOSTRADAMIX DE MAUGRE**, out of the line of Aganix du Seigneur, raised the bidding to €40,000 to join Sara Brionne's future line-up.

Once again, the Deauville Classic Auction promises exciting Elite Auctions in Bois-le-Roi for its 35th edition, taking place from August 29 to September 2.
